East Madison

MAYBE WE SHOULD HAVE CALLED IT "GRAND VISION" because this innovative east side neighborhood does offer a fresh approach to neighborhood living. Created with the principles of traditional neighborhood design, it harkens back to those days of quiet streets and shady front porches, where folks walked to the corner store and really knew their neighbors. How? By bringing back some great old ideas—garages in the rear, lots of greenspace, and housing options for all ages and income levels.
