**YOUR FIRST APARTMENT HAD... CHARACTER.** This primary suite has... everything your first apartment didn't. First on the list is space. Second is an enormous walk-in closet. Third is your very own bathroom with a dual bowl vanity and linen closet. Fourth is lots of light (it's a corner bedroom with lots of windows). And we haven't even told you about the rest of the house. Let's just say that your first apartment was your first for a reason.
