MEET THE BURKE, a home designed with entertaining in mind. The great room, nestled at the front of the home, acts as Grand Central Station. It greets guests as they arrive and allows plenty of space for your furry friends to pounce about. It graciously hosts members of your extended family, who just happened to pay you a surprise visit. But perhaps the best thing about this home is that it's all yours to nestle in, put your feet up and relax. Welcome to The Burke.
